### THE BIG EVENT

The mission of TOCIFT is to help those who cannot help themselves. The Directors, all from various aspects of the oilfield services community, are committed to this goal. Since our 2002 inaugural tournament, we have donated \$5.2 million to various charities. This year the tournament netted \$716,000 and of this amount \$712,000 was distributed to 43 charities. We are proud of our

accomplishments, and as a result of the continued support by our many company and, private sponsors, we have been able to grow the event beyond our expectations.

Our 2013 tournament had 1,446 people participating; including 838 fishermen, 24 tent table sponsors, and a vast number of guests and local celebrities.
